Any citizen who plans to be out of the city for a period of no less than ninety (90) days and no longer than six (6) months, may have their water TURNED OFF and water/sewer/sanitation billing will be discontinued for the period of time they are gone. A charge of **\$30.00** , however, will be paid at the time the water is turned back on.

If desired, as another option, the customer may leave their WATER ON during the period of absence and pay the minimum water and sewer bill, but have sanitation billing discontinued during this time. At the time of return, customer will be responsible for any charges incurred above the minimum bill if for some reason water usage has occurred.

Each customer desiring this service shall notify the City at least one (1) week prior to leaving and advise the City of their return. If anyone fails to stay away from the city for a minimum of ninety (90) days, then all subsequent charges shall be charged such as minimum water, minimum sewer, and garbage for that month in which the individual returns.

I HAVE READ THE ABOVE STATEMENT AND AGREE TO THESE TERMS.
