

**MESSAGE FROM REPRESENTATIVE BRIAN BABIN - SEPTEMBER 3, 2017:**

Dear Friend,

Our thoughts and prayers remain with everyone impacted by the Catastrophic flooding across Southeast Texas. Our office has been in constant contact with our federal, state and local partners to ensure the needs of our constituents are met.

**With all nine counties in the 36th District of Texas being declared federal disaster areas, folks should apply for assistance online at [www.DisasterAssistance.gov](http://www.DisasterAssistance.gov).**

In addition, you can file a claim by downloading the FEMA app on your phone at <https://www.fema.gov/mobile-app>. You may also file a claim by calling 1-800-621-FEMA (3362). Please know that a phone claim may take longer as FEMA's phone lines are overwhelmed.

FEMA is working with state and county officials to establish FEMA Disaster Recovery Centers across the 36th District of Texas. When these are established, we will get the word out through social media and our website.

We have also put together the following webpage with helpful information and resources on Harvey, including details on shelters, disaster assistance, emergency contacts and much more: <https://babin.house.gov/harvey/>.

If our staff may assist you in any way, please call us at any of the following numbers as we stand ready to assist:

Deer Park: 832-780-0966

Orange: 409-883-8075

Woodville: 844-303-8934

Washington, DC: 202-225-1555

Please do not hesitate to let us know how we can be helpful to you.

God bless,
