UPDATE FROM MAYOR DAVID RUTLEDGE

GARBAGE & CLEAN-UP DEBRIS

Bring household garbage only to the Water Department offices on Nitsche. HOUSEHOLD GARBAGE ONLY, NO CLEAN-UP DEBRIS.

Continue to place your clean-up debris on the HOUSE side of the ditch. Again, please don't block the ditches or pile items around the gas meters or fire hydrants.

We are working with our refuse services supplier to re-establish garbage service. We will have that answer for you tomorrow.
