FROM MAYOR DAVID RUTLEDGE:

Good Morning, Bridge City. I trust you had a safe night.

Here's what I know about the situation at this time. City Hall has not had internet service until this morning. This is the reason there have been no updates on the City website.

First thing is there is NO EVACUATION ORDER for Bridge City. If someone knocks on your door and tells you to get out, ask for some identification, get a license number, and call the Police Department at 409.735.5028.

IF YOU DIDN'T READ IT HERE - IT IS A RUMOR.

CLEAN-UP

Some folks have started the clean-up efforts, and a few have been putting the debris along the street-side of the ditch. Please put all debris on the house-side of the ditch and away from fire hydrants and gas meters. If you've already placed it there, MOVE it! You are blocking traffic and drainage.

If you have household garbage, bring it to the dumpsters behind the Water Department Offices on Nitsche Street. HOUSEHOLD GARBAGE ONLY. Building materials, furniture, etc. will not be accepted.

Updates will continue throughout the day.
