

COMMUNITY UPDATE

Mayor David Rutledge

The City of Bridge City's #1 goal is to insure the safety of our citizens and first responders. Updated information is as follows:

POD (Point of Distribution)

MREs, ice, and water are now available at the POD located at the BC Community Center, 105 Parkside. Please enter parking lot on baseball field side and exit on the library side.

Debris Pickup

The City is asking all residents to PLEASE stack the debris on the HOUSE-side of the ditches away from gas meters and fire hydrants because it creates an unsafe situation for traffic and pedestrians and hinders drainage in the event of more rain.

Curfew

The City curfew still remains at 8 pm to 6 am. As soon as it is safe for ALL residents and first responders to move about freely, the curfew will be adjusted accordingly.
