Orange County Economic Development Corporation Extends Small Business Recovery Grant Program

Orange County, Texas (3/3/21)—The Orange County Economic Development Corporation has extended the Small Business Recovery Grant Program. Qualifying Orange County businesses will be eligible to receive a \$1,000 grant to assist with economic recovery efforts from the COVID-19 Pandemic, Hurricane Laura, Hurricane Delta, and the recent winter storm in February 2021.

The application deadline has been extended until **March 31st, 2021**. **Funds will be distributed to approved for-profit businesses throughout Orange County on a first come basis.** **Businesses must collect sales tax and provide a current sales tax report in order to qualify for this grant program.** Applications may be submitted by email or in person and individuals may only submit ONE application. Applications will be reviewed for eligibility in the order they are received.

Applications are available online at www.orangecountyedc.com or in person at 123 S. 6th Street, Orange, Texas 77630. Applications must be sent to Megan Romero at mromero@orangecountyedc.com or delivered in person to 123 S 6th St. Orange, TX 77630.

The grant guidelines and application have been included for media's use.
