UTILITY DEPARTMENT DIRT REQUEST

This is not a guarantee that dirt will be delivered. This is only a release whereby the City, at its convenience, can dispose of dirt on private property. No dirt will be moved by the City once it has been placed as requested. Bridge City residents will be given first priority in deliveries.

I would like _____ 8 yard load(s) of excess dirt hauled on my property if and when available from the City of Bridge City. I hereby grant permission to the City of Bridge City to enter and place excess dirt on my property with the understanding that after it is placed; it will not be picked up by the City. I agree to spread the dirt received within a 30 day period so as not to cause unsightly appearance and/or obstruct drainage.

I will not hold the City responsible in any manner for damages or injury resulting from hauling dirt on my property (this includes driveway, sidewalks, shrubbery, etc.).
